

# Building a Better Bathinda: A Vision for Good Governance-2022

Prepared and submitted by:  
**District Administration, Bathinda**

## **Overview**

Bathinda, situated in the heart of the Malwa region falls under the Faridkot revenue division of Punjab state. It is one of the largest districts in the state and covers an area of approximately 3,384 square kilometres. The population of the area was recorded at 1,388,525 as per the Census of 2011. The area is divided into 9 blocks, and it has 313 panchayats, which are self-governing village-level administrative units. The district's strategic location and infrastructure make it an important hub for transportation, commerce and development in the region.

## **Good governance week**

Good Governance Week an initiative by the Government of India was celebrated in the Bathinda district from the period of 19-25<sup>th</sup> December 2022 with aims to create awareness about the importance of good governance and encourage people to participate in governance-related activities.

During this week, various activities are organized by the District Administration Bathinda at different levels, including seminars, workshops, training sessions, awareness campaigns like “Prashan Apke Dwar”, and to educate people about the different aspects of good governance. The main focus of these activities was to promote transparency, accountability, and efficiency in government functioning and to ensure the participation of citizens in decision-making processes.

On December 23, 2022, a district-level symposium was convened under the guidance of Sh. Showkat Ahmad Parray, Deputy Commissioner of Bathinda, to address Bathinda district's unique initiatives and practices. All departments were in attendance, and a comprehensive district-specific plan was deliberated upon, resulting in the creation of a vision document with the collaborative efforts of all stakeholders involved.
